In the bustling metropolis, heavy stress and constant pressure are unavoidable, leaving little room for escape. Therefore, creating a personal space with serene, clean scenery becomes essential—it offers a sanctuary to soothe the mind, ease the pain, and bring comfort amid the chaos. Such a space becomes a refuge where tranquility and peace can be truly felt.

### QUALITY

The durability of CYBERCELL bathtubs has been certified according to international standards and are manufactured with pure acrylic sheets.

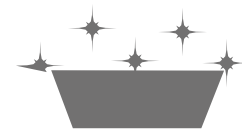

### DURABILITY

CYBERCELL bathtubs are supported at 4 points. The strength of all products are measured with a durability test to withstand a weight of 150 kgs.

### FUNCTIONALITY

The pipes and assembly attachments of CYBERCELL bathtubs have been developed to ensure problem free use with special waste systems to prevent contamination and clogging.

### HYGIENE

Hygienic acrylic sheets are used with all CYBERCELL bathtubs to ensure superior hygiene conditions.

### AGING TEST

The deterioration and abrasion resistance of the acrylic sheets used at CYBERCELL products is tested by a 5-year going test.
